Thanks, Jeff. Given your comments, it sounds as if amendment #2 should expand the prohibition to apply to all candidates (and forget about "partisan").

Appreciate your help on these, and please let me know if further questions arise.

Katie,  
The first amendment is straightforward.

For the second amendment, since the bill covers fundraising on behalf of candidates for state or national office, if we broaden it we would necessarily be including candidates for local office. All local offices except countywide officers (with the exception of county executives) are nonpartisan. In addition, some state offices are nonpartisan. So changing the coverage so that the bill would only apply to candidates for partisan offices would exclude almost all local offices and some state offices.

**Subject:** Requesting amendments to SB 553

Jeff, I need to request 2 amendments to SB 553 (LRB 4540/1):

- I would like an amendment to apply the provisions of the bill to also include (or really, prohibit) fundraising on behalf of legislative campaign committees. (My read of this bill is that it does not currently apply to those organizations; if I've

missed something could you please let me know?)

-I would like an amendment to expand the prohibition on the types of candidates for whom appointees may solicit funds to include all candidates, not just those for state and local offices. What I'm not sure about is whether to stipulate that the fundraising prohibition should apply only to all candidates for *partisan* public offices, or all candidates, period. Your thoughts?

Please don't hesitate to contact me if you have any questions regarding these amendments. Thank you for your assistance!

Katie
